

AGROKÉMIA ÉS TALAJTAN

AGROCHEMISTRY AND SOIL SCIENCE

1951 és 2013 között megjelent Supplementumok, illetve idegen nyelvű kötetek

1. 1964. Tom. 13. Suppl. Reports of the Hungarian Soil Scientists to the VIII. International Congress of Soil Science. 272 pp.
2. 1965. Tom. 14. Suppl. Proceedings of the Symposium on Sodic Soils, Budapest, 1964. 480 pp.
3. 1968. Tom. 17. Suppl. English papers by Hungarian and foreign authors. 145 pp.
4. 1969. Tom. 18. Suppl. Symposium on the Reclamation of Sodic and Soda-Saline Soils, Yerevan. 488 pp.
5. 1974. Tom. 23. Suppl. Prof. A. A. J. de 'Sigmond, 1873–1939. 240 pp.
6. 1979. Tom. 28. Suppl. Modelling of Soil Salinization and Alkalinization. (Eds.: V. A. Kovda and I. Szabolcs) 208 pp.
7. 1981. Tom. 30. Suppl. Proceedings of the Hungarian-Indian Seminar on Salt Affected Soils, Budapest, 1981. 256 pp.
8. 1985. Tom. 34. Suppl. Proceedings of the Hungarian-British Joint Seminar. Session B. Soil Fertility, Budapest, 7–13 April, 1984; Proceedings of the Seminar on Technologies for Sustainable Agriculture, 10 September 1984. 212 pp.
9. 1989. Tom. 38. No. 3–4. Proceedings of the Hungarian-Polish Seminar on Soil Water Problems (Budapest, 1–6 June, 1987); Proceedings of the Hungarian-Swedish Seminar on Soil Mapping (Budapest, 4–11 June, 1988). 517–840.
10. 1990. Tom. 39. No. 3–4. Soil Biology and the Conservation of the Biosphere. Proceedings of the 10th International Symposium on Soil Biology, Keszthely, 1989. 269–608.
11. 1992. Tom. 41. No. 1–2. Workshop über die „Auswirkung Luftbürtiger Stickstoff-einträge in Waldökosysteme“, Budafa, August, 1991. 3–102.
12. 1993. Tom. 42. No. 1–2. Posters, Symposium on Soil Resilience and Sustainable Land Use, Budapest, 1992. 1–220.
13. 1994. Tom. 43. No. 1–2. Hungarian contributions to the 15th International Congress of Soil Science, Acapulco, Mexico, 10–16 July, 1994. 1–240.

14. 1994. Tom. 43. No. 3–4. British–Hungarian Seminar on Sustainable Land Use in Long-term Field Experiments, Debrecen, 14–15 February, 1994. 245–356.
15. 1997. Tom. 46. No. 1–4. British–Hungarian Seminar on Long-term Trials for Sustainable Land Use, Crop Management and Plant Nutrition (Debrecen, 11 December 1996). 9–144.
16. 1998. Tom. 47. No. 1–4. Hungarian contributions to the 16th International Congress of Soil Science. 1–328.
17. 2002. Vol. 51. Nos. 1–2. Hungarian contributions to the 17th International Congress of Soil Science. 1–296.
18. 2006. Vol. 55. No. 1. Special Issue. Hungarian contributions to the 18th International Congress of Soil Science. 1–304.
19. 2010. Vol. 59. No. 1. Hungarian contributions to the 19th International Congress of Soil Science. 1–210.

Kizárólag online megjelent Supplementum kötetek:

1. 2011. Vol. 60. Supplementum. [1st online edition](#): Selected and revised English versions of Hungarian Agrokémia és Talajtan papers from 2000 to 2010.
2. 2012. Vol. 61. Supplementum. [2. online kiadás](#): Szakkommentek az elmúlt 60 évfolyam nyomtatott Agrokémia és Talajtan szakfolyóiratban megjelent, az adott tudományterülethez kapcsolódó szakkikkek felhasználásával.
